## *About the John LoMonaco Memorial Grant*

*John LoMonaco passed away suddenly in May of 2009 at the age of 57. John played several times per week and had many wins to his credit, including a 55-A championship at the 2007 U.S. National Singles Championships. In memory of John, an anonymous friend established and funds the grant in his name that provides for an all expenses paid trip to a deserving candidate to the U.S. National Singles Championships.*
